

# IQOS

This symbol indicates that caution is required when operating the product.

## SAFETY WARNINGS AND INSTRUCTIONS

**PLEASE READ ALL SAFETY WARNINGS AND INSTRUCTIONS BEFORE USE TO AVOID INJURY.**

These safety warnings and instructions cannot cover all possible conditions that could occur, and users should exercise care and caution.

Keep these safety warnings and instructions for future reference as they contain important information.

### Intended Users

- IQOS™ and HEETS are for adult use only.
- IQOS and HEETS are intended for use by current adult smokers who would otherwise continue to smoke.
- Children and adolescents should never use IQOS or HEETS under any circumstances.
- IQOS or HEETS should not be used by people with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning their use and understand the risks involved.

### Tobacco and Nicotine

- HEETS contain nicotine, which is addictive.
- IQOS and HEETS are not risk-free. The best way to reduce tobacco-related health risks is to quit tobacco and nicotine use altogether.
- Some users of IQOS and HEETS reported experiencing abdominal pain, chest pain, choking sensation, cough, difficulty breathing, dizziness, dry mouth, dry throat, gingivitis, headache, malaise, nasal stuffiness, nausea, mouth irritation, palpitations, throat irritation, and vomiting.
- Nicotine-containing products should not be used by people who have or are at risk of heart disease, are diabetic, are epileptic, or are experiencing seizures.
- Nicotine-containing products should not be used during pregnancy or while breastfeeding. If you are pregnant, breastfeeding, or think you may be pregnant, you should quit tobacco and nicotine use altogether.
- Stopping smoking or switching to IQOS and HEETS or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g. theophylline, clozapine, ropinirole).
- If you have questions about whether you should use IQOS and HEETS given an existing health condition, consult a health care professional.

### ▲ IMPORTANT SAFETY INFORMATION

#### **▲ WARNING** CHOKING AND INGESTION HAZARD

Keep IQOS and HEETS out of reach of children at all times.

- **CHOKING HAZARD** — IQOS accessories and HEETS contain small parts.
- **INGESTION HAZARD** — If a HEETS is swallowed, seek medical attention immediately due to risk of nicotine intoxication.

## ***Electronic Risks***

Failure to follow these Safety Warnings and Instructions could result in fire, explosion, electric shock, injury, or damage to the product or other property:

- Only Intended Users should use IQOS.
- Only charge the IQOS Pocket Charger with the approved IQOS Power Adaptor model supplied in the box or available from your local or online IQOS stores for charging purposes. See the Technical Data section of this User Guide for a list of approved IQOS Power Adaptor models.
- Do not use third-party accessories with IQOS.
- Only charge the IQOS Pocket Charger using Safety Extra Low Voltage. See the Technical Data section of this User Guide for details on voltage.
- Do not use IQOS where the use of electronic devices is prohibited.
- Only charge the IQOS Pocket Charger indoors as indicated by the symbol .
- Do not use IQOS or charge the IQOS Pocket Charger and/or IQOS accessories if they are damaged, tampered with, or broken.
- Do not use IQOS if its batteries appear to be leaking.
- Do not use, charge, or store IQOS in places with high temperature (such as inside a car in summer, or near heat sources such as radiators or fireplaces).
- Do not use IQOS where flammable materials, liquids and gases are present.
- Never immerse or put IQOS or its accessories in contact with water and/or other liquids. Do not touch IQOS and/or its accessories if they become wet or immersed in any liquid.

- Never dispose of IQOS and/or its accessories with other household waste, as it may come into contact with water and/or other liquids.
- Clean the USB charging port on the IQOS Pocket Charger periodically to avoid accumulation of foreign matters (such as dust particles).
- Disconnect IQOS and/or its accessories from any source of power if it overheats, fumes, ignites, or burns while charging.
- Do not touch IQOS and/or its accessories if they do overheat, fume, ignite, or burn.
- Handle with care. Do not drop IQOS or subject it to strong shock.
- Do not attempt to open, service, modify, or repair any component of IQOS, or to replace any of the components or batteries.
- Only use IQOS in ambient temperatures between 0° and 50° C.

#### **Battery Risks**

IQOS is powered with sealed lithium-ion (Li-ion) batteries. Under normal conditions of use, the battery is sealed.

- If fluid from leaking battery is swallowed, seek medical attention immediately. Do not induce vomiting or ingest food or drink.
- If vapor from leaking battery liquid is inhaled, get fresh air and seek medical attention.
- If fluid from leaking battery is in contact with skin, wash hands and do not touch eyes.
- If fluid from leaking battery comes into contact with eyes, immediately flush with running water for at least 15 minutes and seek medical attention immediately.

#### **⚠ CAUTION THERMAL BURN RISK**

Failure to follow these Safety Warnings and Instructions could result in thermal burns:

- Store IQOS and HEETS in a clean, dry, cool place.
- Do not expose IQOS and HEETS to high humidity conditions or direct sunlight.
- Do not use HEETS that have been exposed to excessive heat or moisture.
- Do not remove a HEETS while in use.
- Never attempt to touch the IQOS heating blade.

#### **⚠ CAUTION ALLERGIC REACTION RISK**

- Using IQOS and HEETS could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.
- Stop using IQOS and HEETS and seek medical attention immediately if you experience any of the symptoms listed above, as they may indicate a serious allergic reaction.

## EXCLUSIVE USE OF HEETS

- Only purchase IQOS and HEETS from your local or online IQOS stores or other authorized retailers.
- Only use IQOS with HEETS. Never use IQOS with a cigarette or similar products that are not approved for use with IQOS. Doing so may result in injury.
- Do not modify HEETS in any way or add any substance to HEETS. Doing so may result in injury.

## Reporting of adverse experiences

- If you experience any unwanted health effect when using IQOS and/or HEETS, consult a health care professional.
- You can report any adverse experience or incident directly by contacting your local Call Centre (details can be found in the Customer Care & Warranty booklet). By reporting adverse experiences or incidents, you can help provide more information on the safety of this product.
- For more information, please go to [www.iqos.com](http://www.iqos.com)

## INFORMATION FOR DISPOSING OF IQOS

### Valid across European Union and EEA

This symbol on the product or on its packaging indicates that this product and its individual parts (including batteries) must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by taking it to a designated collection point for the recycling of waste of electrical and electronic equipment. Waste batteries can be returned free of charge at the point of sale.

The separate collection and recycling of your waste equipment (including batteries) at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Disposing of waste equipment as unsorted municipal waste (e.g. by waste incineration or landfilling) can have negative effects on the environment and human health.

## TECHNICAL DATA

### Holder:

IQOS 3 Model A1404/  
IQOS 3 DUO Model A1406

### Battery type:

Li-ion rechargeable battery

Input: 5V  1.6A

### Pocket Charger:

IQOS 3 Model A1504/  
IQOS 3 DUO Model A1505

### Battery type:

Li-ion rechargeable battery

Input: 5V  2A

Bluetooth® 4.1

The IQOS Pocket Charger is marked with the symbol  followed by "SxxA2x", which indicates the IQOS Pocket Charger can only be charged using one of the approved IQOS Power Adaptor models listed below.

### IQOS AC Power Adaptor

Model: S52A21, S21A20, S21A22, S21A23, S21A25, S21A27

Input: 100V-240V~ 50-60Hz 0.3A

Output: 5.0V  2.0A

Output power: 10.0W

Average active efficiency: 79.0%

No load power consumption: <0.09 W

USB Type C Cable

## **BATTERY REMOVAL INSTRUCTIONS (FOR DISPOSAL AND RECYCLING)**

Batteries must not be removed by the consumer. At end of product life, only an authorised recycler may safely remove batteries by using the following steps.

### **IQOS 3 DUO Pocket Charger (A1505):**

Step 1: The device should be fully discharged before disassembling it. Remove the cover, then remove the screw on both sides.

Step 2: Detach the charger from the hull.

Step 3: Unscrew to remove the retainer.

Step 4: Detach all FPC and connector to remove the charger PCB.

Step 5: Remove battery and dispose of according to local regulations.

### **IQOS 3 DUO Holder (A1406):**

Step 1: The device should be fully discharged before disassembling it. Remove the front housing from the holder.

Step 2: Remove the rear housing.

Step 3: Remove the power button from the holder.

Step 4: Remove the glue and solder to detach the battery from the middle part and frame. Middle part must be cut open due to glue.

Step 5: Remove battery and dispose of according to local regulations.

Hereby, Philip Morris Products S.A. declares that IQOS 3 DUO is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The official Declaration of Conformity may be found at: [www.pmi.com/declarationofconformity](http://www.pmi.com/declarationofconformity)

IQOS 3 DUO Model A1505 operates within the 2.402 – 2.480GHz frequency band with a maximum RF output power below 10.0 dBm. IQOS 3 DUO Model A1505 is equipped with a passive NFC tag that operates at 13.56MHz frequency band.

Designed and manufactured under the authority of Philip Morris Products S.A., Quai Jeanrenaud 3, 2000 Neuchâtel, Switzerland.
